

Privacy Policy

Effective date: August 2025

App name: SzigetNavi (powered by NaviGen)

Provider: HAXMOUNT SYSTEMS LIMITED

1. Who We Are

We provide NaviGen-powered apps that help event-goers and tourists find points of interest, friends, and services at live venues and festivals.

Our current app, SzigetNavi, is designed for visitors of SzigetFesztival. After the event, future versions may target different locations and events under different names, but the same principles apply.

2. What Data We Collect

We do not collect personal data, and the app does not require login. Everything stays on your device and is under your control.

Specifically:

- GPS Location: No (local only, not sent)
- Saved Pins / Favorites: Yes (future), not sent
- Purchase Receipts: Yes, local only, Stripe handles actual payment
- Language Preference: Yes, local, synced via browser
- User Email / Identity: No
- Crash / Analytics Data: No (may come later)

3. Why We Collect Any of This

We don't collect anything for ourselves. All data is used only to power features you see and use.

No tracking. No advertising. No user profiling.

Privacy Policy

4. How Data is Stored and Protected

Everything is stored only in your browser or device.

We do not maintain external servers or databases.

5. Data Sharing

We do not share your data with anyone.

When you tap 'Share My Location,' your coordinates are shared via your device's share tools. We do not see, store, or relay them.

6. Your Rights

This app is anonymous and free. You can:

- Use it without limits
- Use the Reset App option to delete all local data
- Decline to use any feature

7. External Services Used

- Stripe for secure payments
- Google Maps to open locations
- Basic browser storage for preferences

We do not use advertising SDKs, analytics tools, or third-party trackers.
